N. B.—The order in which the photos appear is not necessarily an indication of rank, merit or ability, but an attempt has been made to group according to age and type, where possible. The Album is not limited to the membership of the publishing club, but only those showing a spirit of hearty co-operation with Producers, Directors, and Casting Directors will be admitted.

This Album

Is Presented to Alice Dodge

By Mrs. O'Day.

In the hope that it will prove an efficient means of becoming better acquainted with the children best fitted to serve the Motion Picture Industry. Those whose photos appear are sincere and earnest, anxious always to work with and for the Director. All have permits, valid at the present time, and except in the few cases individually stated, are experienced.
